**Please be in direct contact with your tutor** as soon as possible, so they can organise their timetable.

Families are responsible for organising the hire of any instruments that are required and this needs to be organised in time for the first lesson.

Tuition is invoiced by the individual teachers, and lessons are paid for in advance by the Term. Please understand that teachers cannot guarantee that lessons missed by the student due to illness, excursions, family holidays etc. will be made up. By signing up for lessons you are paying for the teacher to be available for your allotted time slot, whether the student is there or not.

The 2022 recommended rate is as follows:

Individual ½ hour slot, - \$32

Group (2 people) ½ hour slot - \$20

Group (3+ people) ½ hour slot - \$17

We hope your child has a rewarding year exploring the enormous joys and benefits of learning an instrument.
