

IMPORTANT INFORMATION

School holidays should be fun, and that's what Vacation Care at Hills is all about. It's a place for kids to spend time with their friends, try something new, get creative, explore, play and make the most of their holidays. With a different mix of activities and experiences each day, there's always something to get involved in, all supported by our experienced team of educators.

Most importantly, we want kids to enjoy being here and head home already looking forward to their next day at Vacation Care.

WHAT TO BRING

- Spare clothes! Things can get wet or messy, regardless of what's on the program, so please dress for it (and note we can't take responsibility for damage to clothing)
- Recess and lunch, unless the program says otherwise. We're a nut-free service, so please double-check packaging. Please avoid food that requires our staff to prepare, such as instant noodles. Keep it simple!
- A drink bottle
- A hat
- Enclosed shoes
- Check the Weather; your child might need wet-weather gear, including a rain jacket and gumboots.

BOOKING & FEES

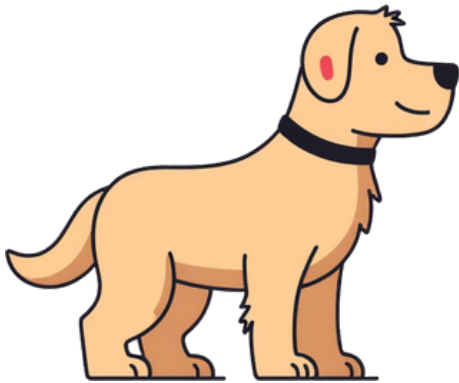

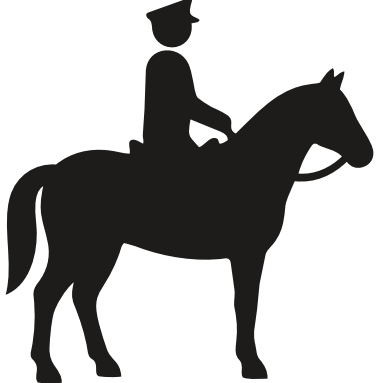

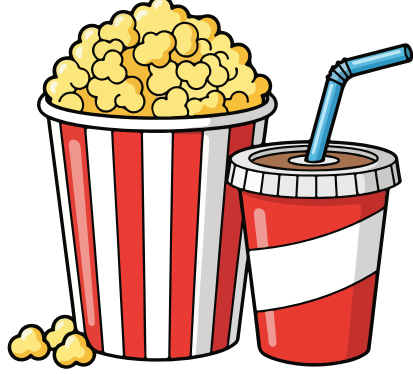

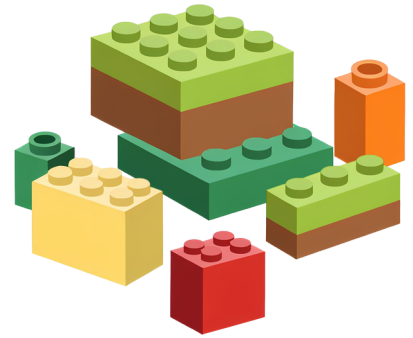

Bookings are made online through the Xap app, which is also where you'll find excursion consent forms and can update medication or emergency details. Please book before the end of the school term, so we can plan staffing and activities. For full details on session costs, late fees and our cancellation policy, see the current fee schedule.
